DR. ARMITAGE BRINGS A SUIT

Claim for Professional Services Against the Estate of Wm. Center.

Edward Armitage, the well known physician and surgeon who resides at Wailuku, Maui, has brought suit against E. F. Bishop, administrator of the estate of David Center, deceased, for \$472.50 for professional services rendered the deceased in his lifetime.

The plaintiff states that on January 2, 1901, David Center died intestate at Spreckelsville, Maui. On January 12, 1901, temporary letters of administration on the estate of David Center were issued by Judge Kalua of the Second Circuit Court, appointing E. F. Bishop temporary administrator of said estate, and he acted as such temporary administrator until February 18, 1901.

On that date letters of administration on David Center's estate were duly issued to E. F. Bishop. Dr. Armitage claims the administrator is indebted to him in the sum of \$472.50, upon an account for the services rendered as physician and surgeon for David Center, deceased, and at his request during his lifetime and upon his promise to pay so much as such services were reasonably worth, between November 1, 1900, and January 2, 1901, and that such services were reasonably worth \$472.50, and that the claim is just, due and wholly unpaid.

On January 25, 1901, and within the time prescribed by law for the presentation of claims against deceased persons, the claim was filed. The defendant caused to be sent to plaintiff's attorney a notice in writing of the rejection by defendant as administrator of the claim so presented. Dr. Armitage prays judgment in his favor for the amount named, at the June term of the court.

WOULD YOU BELIEVE

The Statement of Some One in New York Quicker Than That of Someone in Honolulu.

Supposing you had a bad back; that is one that was weak, lame or caused you hours of suffering? Sometimes you had headache, and you would feel worn out, listless and played out generally. In such condition what would you most desire? Relief and cure. So would we all and so you can if you will listen to the advice of your neighbors. You may have tried many things without success; perhaps you read of some one in New York who was cured of a similar affection and tried his remedy; The failure may have made you skeptical. What you want in way of proof is the statement of a citizen of your own town, someone you can inquire of how he found relief. Now, that's just the kind of proof we are going to give you here.

Mrs. N. Joseph lives at the corner of Liliha and King streets, this city. She states as follows: "I was troubled for seven months with a lame back, and also suffered from occasional attacks of chills. These various complaints made my condition by no means a happy one, so that I much desired some remedy which would bring relief. This I found in Doan's Backache Kidney Pills, some of which I obtained at the Hollister Drug Co.'s store. I am pleased to say that they gave me not merely temporary but permanent relief and I have not the least hesitancy therefore in recommending Doan's Backache Kidney Pills. They are a good kidney medicine."

Doan's Backache Kidney Pills are for sale by all dealers at 50 cents per box, six boxes \$2.50. Mailed by the Hollister Drug Co., Ltd., Honolulu, wholesale agents for the Hawaiian Islands.

FUNERAL SCENES REPRODUCED.
